STARCOAT PMMA LIQUID WATERPROOFING

Accessories

Axter's Starcoat PMMA Liquid Waterproofing is a flame free, rapid cure, cold applied PMMA liquid waterproofing system that provides a fully adhered waterproofing layer. Manufactured for new build and refurbishment projects and BBA certified for zero fall applications, Starcoat PMMA is hard wearing and will withstand significant load bearing and mechanical stresses. It is ideally suited to complex details and areas where traditional waterproofing is difficult or impossible to apply.

To complement the principal components of the Starcoat PMMA systems (see Axter Ltd Starcoat PMMA brochure and product datasheets), Axter offers the following choice of accessories.

| Starcoat PMMA Accessories | |
|--|---|
| Product Name | |
